Outdoor burning — Areas where prohibited — Exceptions — Use for management of storm or flood-related debris — Silvicultural burning.

(1) Consistent with the policy of the state to reduce outdoor burning to the greatest extent practical, **outdoor burning shall not be allowed in:**

(a) Any area of the state where federal or state ambient air quality standards are exceeded for pollutants emitted by outdoor burning; or

(b) **Any urban growth area as defined by RCW [36.70A.030](#)**, or any city of the state having a population greater than ten thousand people if such cities are threatened to exceed state or federal air quality standards, and alternative disposal practices consistent with good solid waste management are reasonably available or practices eliminating production of organic refuse are reasonably available.

RCW 36.70A.110

Comprehensive plans — Urban growth areas.

(1) Each county that is required or chooses to plan under RCW [36.70A.040](#) shall designate an urban growth area or areas within which urban growth shall be encouraged and outside of which growth can occur only if it is not urban in nature. **Each city that is located in such a county shall be included within an urban growth area.** An urban growth area may include more than a single city. An urban growth area may include territory that is located outside of a city only if such territory already is characterized by urban growth whether or not the urban growth area includes a city, or is adjacent to territory already characterized by urban growth, or is a designated new fully contained community as defined by RCW [36.70A.350](#).
