PROOF OF LIABILITY INSURANCE:

Liability insurance coverage is required for special events occurring on City property. A special event is defined as any organized activity involving the use of, or having impact upon, public property, facilities, public parks, sidewalks or street areas that require a permit. Special event permits, insurance certificates and limits must be reviewed by the City; however permits will not be issued without a certificate of liability insurance.

What is an Insurance Certificate?

An Insurance Certificate demonstrates the existence and terms of a particular insurance policy. It is common for insurance certificates to specifically name another involved party as insured when it relates to common business interests. Insurance Certificates must be provided to the City preceding event approval and this should be done as early as possible, but no later than thirty (30) days prior to the event.

Where can I get an Insurance Certificate?

1. The best place to obtain an insurance certificate is through an already existing insurance policy maintained by your organization, affiliation, business or homeowners insurance. There is usually little or no cost for the issuance of an insurance certificate on an existing policy. The request for such a certificate is usually placed through the agent, broker, or risk management department of the organization.
2. If there is no existing insurance that will provide coverage, you will want to shop for insurance coverage and may be able to obtain an insurance policy and certificate that specifically covers the special event. Many times a special event may be included as “rider” or “endorsement” to an existing liability insurance policy. Your insurance agent or broker may be the best place to start asking questions.
3. There are companies that specialize in short-term Special Event Insurance. The web sites below are provided as a convenience and this information is not to be construed as a recommendation by the City of Newport. We suggest that you “shop” for insurance early to obtain the best value and coverage.

 - Special Events Insurance www.insurevents.com
 - SM&D Production Insurance www.productioninsurance.com

What is required on the Insurance Certificate?

1. One Million Dollars of General Liability Insurance is the minimum accepted. Some events may require higher limits, or specific liquor liability If alcohol is served.
2. The event sponsor must be the “named insured”.
3. The City of Newport must be specifically “named as the additional insured/primary non-contributing” on the Certificate of Liability Insurance. **IN ADDITION, AS REQUIRED ON THE CERTIFICATE OF LIABILITY INSURANCE, THE POLICY MUST BE ENDORSED TO SHOW THE CITY AS AN ADDITIONAL INSURED, PRIMARY AND NON-CONTRIBUTORY. THE ENDORSEMENT GENERALLY COMES DIRECTLY FROM THE INSURANCE COMPANY AND MAY TAKE ABOUT 2 WEEKS TO RECEIVE.**
4. The certificate must be written for a period not less than twenty-four (24) hours prior to the event and extending for a period not less than twenty-four (24) hours following the completion of the event.

Reservation Customer:

The electricity available for public use at most park facilities is limited. Exceeding the capacity of the outlets will likely trip circuit breakers that are not accessible to the public and would disrupt the electricity completely. Events requiring significant electrical service (more than 15 amps at 120 volts) may need to make their own arrangements such as generators.

We do try to check and ensure the proper operation of these electrical outlets. We can normally correct problems that occur during normal working hours, which are Monday through Friday from 8:00 AM to 4:30 PM. Our ability to correct problems on evenings, weekends, or holidays is subject to overtime/call-out labor charges. These charges will be deducted from the amount of the deposit or will be charged to the organization/person who is renting the park.

Please call Newport City Hall at (509) 447-5611 if you have any questions regarding your reservation and use of the facilities.

Thank you,
